Heritage Bank & Trust Creates a Youth Advisory Board for Maury County Students

(October 12, 2017) — Heritage Bank & Trust is proud to announce the creation of a Youth Advisory Board for Maury County students. The purpose of the Youth Advisory Board is for the youth in our community to have a better understanding of a community bank, careers in banking and to learn what it means to be on a board.

Fifteen students from Maury County public and private schools attended the first meeting, which was held on October 11 at Heritage Bank & Trust's main office.

"We are thrilled to be able to offer this new program to Maury County students," says President & CEO Jim Robinson. "We hope to gain input from a younger generation while providing an opportunity for students to gain valuable leadership skills that will help prepare them for their bright futures."
