Heritage Bank & Trust Hosts Home Buying Seminar

(March 1, 2019) — Are you interested in purchasing a home but don't know where to start? Heritage Bank & Trust is hosting a Home Buying Seminar on March 14 from 5 p.m. to 7 p.m. at Keestone, which is located at 322 Kennedy Street in Lawrenceburg.

"I often tell prospective buyers that I wished they would have talked to me six months ago, in order to better prepare for the home buying experience" says Heritage Bank & Trust Executive Vice President Brent Wheeley. "This seminar will be a great opportunity for people to get a better understanding of the home loan process, and what to expect."

The seminar will include information about the different types of loans, pre-qualification letters, and underwriting requirements. There will be information regarding the different mortgage loan options, which include FHA, VA, and USDA. Topics will also include credit reports, equity types, and required information to complete the home buying process.

The event is limited to the first 50 attendees and light refreshments will be provided. Please RSVP to Heritage Bank & Trust Lawrenceburg Branch Manager Carrie Goolsby at 931-231-7000 to reserve your seat.

"We truly care about our customers and want the home buying process to be seamless," says Wheeley. "Purchasing a home is an exciting time for buyers and we are excited to offer this program to the community."

Heritage Bank & Trust is a community bank with locations in Columbia, Mount Pleasant and Lawrenceburg. As of December 2018, Heritage Bank & Trust had total assets of approximately \$160 million.
