

# QUILT CONTEST

## 15 Year Commemorative Quilt

Heritage Bank & Trust invites community members to participate in a special quilt square contest in honor of the Bank's 15 Year Anniversary in March of 2021. A select number of submitted squares will be chosen and stitched to create a Heritage Bank & Trust quilt that will be displayed at the Bank's main office in Columbia.

**Theme** – Celebrating 15 Years of Heritage Bank & Trust's Commitment to Community

To enter, stitch an 8x8 quilt square which depicts a connection between Heritage Bank & Trust and the community. Make sure you leave enough space around the edges of your design so it will look seamless with other squares.

Ask yourself the question, "What does community banking mean to me?"

Here are some possible examples to help get you started:
